The UWM Faculty Appeals and Grievances Committee met ten times during 1990-91.

One appeal was completed and the report was filed with appropriate administrators and chairs.

A second appeal was dismissed by the committee after determination that a *prima facie* case had not been established.

A third appeal was received from the University Committee; however, the appellant chose not to continue the appeal procedure.

No appeals are pending; one more general meeting is anticipated at this time. Concerns about functions and recommendations for changes have been made to the University Committee.

J. Bowers has been designated as Chair *pro tem* to convene a meeting of the 1991-92 committee for the purpose of electing a chair during the last week of August.
