In preparing the slate of nominees for Elective-Standing Faculty Committees and the list of suggested names for the Provost for the Appointive Committees, the Committee on Nominations and Elections uses the following procedures:

1. Preference sheets were prepared and distributed to the Faculty for both Elective and Appointive Committees. The first, second, and third choices were tabulated from the 129 returns out of a possible 449.

2. A roster of committee load for each faculty member for the past four years has been prepared. This includes all University and UW-M Appointive and Elective Committees.

3. Criteria are used to select a maximum number of individual faculty members in order to achieve continuity, balance, and distribution. Selections are influenced by, but not limited to choices submitted on the preference sheets.

Nominations from the floor may be made at the Faculty meeting, April 12.
