The University Relations Committee held five meetings in the academic year, 1990-91. Written and oral reports from the Assistant Chancellor for University Relations were reviewed at these meetings. Committee members undertook tasks of minutes. University Relations Division staff provided notices for the meetings.

The committee took the following actions:

Reviewed the findings and recommendations of the Campus Security Committee’s investigative report and indicated support for these recommendations.

Reviewed some of the projects and successes of News and Publications with Terry Gillick. Recommended that some events such as the Newsmaker Luncheon, lectures and athletics need greater publicity.

Reviewed the University Relations functions.

Received regular updates from the Assistant Chancellor on the status of the 1991-93 University of Wisconsin System budget during the State legislative budget hearings. Members contacted legislators urging support for the UW System requests, particularly as they related to the instructional support items.
