1991-1992 ANNUAL REPORT
UWM HONORARY DEGREES COMMITTEE

The 1991-1992 UWM Honorary Degrees Committee met on October 15, November 4, January 24, and March 10. The committee studied materials submitted on behalf of six nominees for an honorary degree and heard presentations from each of the nominating units.

The committee recommended three candidates for honorary degrees to the Board of Regents which gave preliminary approval. These nominations were then submitted to the UWM Faculty Senate which approved two and referred one back to committee. The Board of Regents then gave final approval to the two. It is anticipated that one honorary degrees will be awarded at the May, 1992 commencement and one at the December, 1992 commencement. At its March meeting, the committee voted to resubmit the name of the third candidate conditional upon a favorable review of the candidate by the committee in the Fall of 1992.

The first call for nominations for honorary degrees to be awarded in 1993 was issued in April, 1992 to all faculty, department chairs and administrators, the Student Association, Alumni Association and the UW System Board of Regents.
