1992-1993 ANNUAL REPORT
UWM HONORARY DEGREES COMMITTEE

The 1992-1993 UWM Honorary Degrees Committee met on October 20 and November 16. The Committee voted not to recommend an honorary degree at this time for a candidate who had been brought forward from last year. The Committee also studied materials submitted on behalf of another nominee for an honorary degree and heard a presentation from one of the nominating units.

The Committee recommended the candidate for an honorary degree to the Board of Regents, which gave preliminary approval. The nomination was then submitted to the UWM Faculty Senate, which approved it. The Board of Regents then gave its final approval. It is anticipated that the honorary degree will be awarded at the May, 1993 commencement.

The first call for nominations for honorary degrees to be awarded in 1994 was issued in April, 1993, to all faculty, department chairs and administrators, the Student Association, Alumni Association, and the UW System Board of Regents.
