RE: Annual Report to the Faculty

The Athletic Board met six times this year, with the last meeting on April 7, 1993. In addition to our normal duties, the Board, with the support of the Chancellor’s office, conducted a survey of the athletic interests and abilities of fulltime undergraduate men and women. The purpose of this survey was to assess the degree to which UWM was fulfilling its obligations under Title IX to accommodate these athletic interests equivalently. We currently are analyzing the data, and hope to have a report ready by the end of the semester.
