Codification Committee
Annual Report, 1992-93

The Codification Committee met four times during the year and the actions were as follows:

1. The University Committee’s proposed revision of Tenure Clock Legislation (Fac. Doc. #1810) Section 5.135, UWM Policies and Procedures was reviewed and found to satisfy the Codification Committee's criteria of clarity, internal consistency, and relationship to other policies and procedures governing UWM.

2. The University Committee’s proposed revisions of (Fac. Doc. #1809) Section 5.18 (4) and 5.18 (5), UWM Policies and Procedures, to provide for an appeal following a negative decision by an ad hoc review committee was reviewed and found to satisfy the committee's criteria.

3. Upon referral by the Faculty Senate Rules Committee, Professor Winston Van Harne’s proposed amendments to Section 5.176 (1) and (3), UWM Policies and Procedures, were reviewed. The committee suggested some changes which were believed to be consistent with his proposal.

4. Consideration of a motion from the Affirmative Action Committee of the Faculty Senate to amend Section 4.05 (Functions of the Departmental Executive Committee) and Section 3.12 (1) (By Laws of the Divisional Executive Committee), UWM Policies and Procedures (Fac. Doc. #1873). No conflicts with the proposal and existing legislation were found.

5. Considered a request from the University Committee to review an amendment to Section 3.04 (Membership of the Divisional Executive Committees), UWM Policies and Procedures proposed by the Division of Social Sciences Executive Committee and endorsed by the remaining Divisional Committees and the University Committee. The committee suggested a modification of the wording.

6. At the last meeting of the year, the committee discussed implementation of the request by the University Committee to rewrite Chapter 5, UWM Policies and Procedures. This activity will be started in 1993-94.
