FACULTY RIGHTS AND RESPONSIBILITIES COMMITTEE

Annual Report for the Academic Year 1992-93

The Faculty Rights and Responsibilities Committee met 6 times during the 1992-93 academic year. The Committee received two cases forwarded from the University Committee. Both cases were sent back to the University Committee.

During this year the Procedures of the Faculty Rights and Responsibilities Committee were updated to improve on the clarity of the document. A previous potential misunderstanding of the term "Formal Hearing" was clarified. The new procedures were forwarded to the University Committee on November 23, 1992.

The Committee examined the right that a faculty member has with respect to security, privacy and ownership of information in his or her office space. A letter recommending that the University establish a special committee to investigate this issue was forwarded to the University Committee.

Professor Benjamin of the Department of Music was elected to Chair the 1993-94 Faculty Rights and Responsibilities Committee.
