The Archives Committee has responsibility for establishing policy for the UW-Marchives and for advising the UW-M archivist (the Secretary of the Faculty.) At present, the holdings include scattered official and unofficial materials relating to pre-merger activities and complete official records for the period since 1956; these records have now been transferred to the mezzanine stacks of the Downtown Library.

The Committee has arranged for a start on the cataloging and arranging of the archives during the remainder of the 1961-62 academic year and its probable completion during the summer of 1962. Such archives are expected to be housed with other documentary research material now being assembled for the Downtown Library.
