FACULTY SENATE RESOLUTION:

Whereas:

A new President pro tem of the Senate and chair of the Rules Committee was appointed from the elected 1999-2000 Rules Committee members at the May 1999 Faculty Senate meeting but later determined that he is unable to serve in that capacity; and

According to the rules of the Faculty Senate Rules Committee that state that any given school or college may not be represented in consecutive years in the chair of the Rules Committee, requiring a non-L&S faculty member to serve as President pro tem this year, since an L&S faculty member served last year; and

No other non-L&S member of the Rules Committee is able to serve in that capacity; and

William Holahan who is presently a member of the Senate Rules Committee and an L&S faculty member, has agreed to serve as President pro tem and chair of the Rules Committee during the 1999-2000 academic year;

Therefore, it is moved that:

The Faculty approve waiver for the academic year 1999-2000 to UWM Policies and Procedures, Section A3.0 (1) that specifies that any given school or college may not be represented in consecutive years in the chair of the Rules Committee.

RATIONALE

This request for an exception is made specifically to permit the present elected members of the Rules Committee to remain on the Committee and to allow for a smooth transition for the Faculty Senate, Faculty Senate Rules Committee and the University Committee, upon which the President pro tem of the Senate serves, for the 1999-2000 academic year.
