Major Accomplishments:

1. Met with the School of Continuing Education Interim Dean Krueger to review the current activities and needs of the SCE.

Major Issues of Discussion:

1. The EPC provided some advice in an advisory role to Interim Dean Krueger.

2. The EPC discussed the need for more faculty lines for the SCE.

3. There is an ongoing issue involving a request to the APBC for an assessment of the economic impact on the increased overhead money being taken by campus units for off-campus and outreach activities. The APBC did not provide the assessment, so no further recommendations could be made by the EPC.
