Annual Report of the Faculty Rights and Responsibilities Committee
2005-2006

1. The committee met 16 times during the year.

2. The committee received five inquiries concerning complaints against faculty. Three of those inquiries resulted in the submission of complaints to the committee. They were dealt with as follows:

   1. One complaint was returned to the complainant for due process reasons.
   2. The committee assisted in the informal resolution of one case.
   3. As of this writing in late June 2006, the committee currently has two pending, open cases in which the committee asked for more information from the complainee.
   4. The committee deferred one case back to the individual who filed the case because the case did not go through the proper initial avenues of filing.

3. The committee elected Christine Dunning as Chair for 2005-06.

4. The University Committee appointed an Interim Chair, Robert Schwartz, to chair a working case in which Christine Dunning had to recuse herself from.

Respectfully submitted,
Christine Dunning
Chair, 2005-06
