Report of the Committee on Nominations for
Elective Standing Faculty Committees for 2007-08

In preparing the slate of nominees for elective faculty standing committees, the Committee on Nominations used the following procedures:

1. Preference sheets were prepared and distributed electronically to the faculty. The first, second and third choices were tabulated from 135 returns out of a possible 825. (This number includes all persons holding faculty rank including administrators and those on sabbatical

2. Persons completing the preference sheet comprised the major pool of nominees. Faculty who submitted preference sheets but could not be placed because the desired committee(s) lacked vacancies from their particular school/college, department or division were individually contacted regarding their willingness to serve on alternative committees for which there were vacancies. All faculty were informed of remaining vacancies by E-mail and encouraged to submit additional nominees. Others were contacted and nominated as needed. Attempts were made to achieve continuity and balance in committee membership.

3. Senate assistance is required for slate additions for the following committee:

   Divisional Committees: need 2 from SS
                         need 1 from NS

   Extension Policy Cmte: need 1 from NS
                          need 1 from SS

   Honorary Degrees Cmte: need 2 from NS

   Acad. Prog. & Curr Cmte: need 2 from SS

Nominations from the floor may be made at the Faculty Senate meeting, March 15, 2007. Please contact the person(s) you wish to nominate prior to the meeting to obtain their consent.
