University of Wisconsin–Milwaukee

Faculty Ethics Advisory Committee
2006-2007 Annual Report

Members:

Gerald Bergtrom, Chair Prof Biological Sciences
William Velez Prof Sociology
Donald Solomon Assoc Mathematical Sciences

Charter:
Functions/ Responsibilities:

A2.5 Faculty Ethics Advisory Committee

(1) Membership. The Committee shall be comprised of three elected faculty. To be eligible for election, a faculty member must have served on the Codification Committee, a Divisional Executive Committee, or the University Committee.

(2). Functions.
  a) Recommends to the Faculty Senate those policies and procedures necessary to implement the Code of Ethics (UWS 8);
  b) Provides consultation and advice on the application of UWS 8 to any member of the faculty. In accordance with UWS 8.035, the committee=s deliberations and actions upon request for consultation or advice shall be in meetings not open to the public. Records obtained in connection with requests for consultation or advice shall be considered confidential university information. However, summaries of advice provided by the committee, which do not disclose the identities of persons requesting such advice, shall be made public in an annual report.

(Document 1526, 12/18/86; UWM Administration approval, 1/2/87)

Meetings:

The FEAC met on September 20, 2006. G. Bergtrom was elected chair of the committee and the history of recent actions and the charge to the committee were discussed. As no matters were brought before the committee in the 2006-07 academic year, no further meetings were scheduled.

Respectfully submitted,

Gerald Bergtrom, Chair of the Committee
