
The University of Wisconsin - Milwaukee Safety Committee held three meetings during the 1963-64 school term.

Periodic referrals were made by individual staff members as to problems which existed on campus. These were reviewed and appropriate recommendations made to proper bodies for follow-up action.

A survey was conducted of department and building chairmen requesting their assessment of needs and problems in their own areas. These were reviewed with the Department of Buildings and Grounds with anticipation of their subsequent action.

SAFETY COMMITTEE

L. W. Bahe
D. M. Matheson, Chairman
E. T. Ratledge
M. S. Reilly
J. Trover, (Ex-officio)
C. Vevier, (Ex-officio)
