We value:

- Innovation, leadership, and collaboration that fosters learning through education, scholarship and research, and public service.
- Opportunities for open inquiry to support the positive transformation of individuals (students, faculty, and staff), institutions, and communities.
- A caring, compassionate, and collegial community characterized by mutual respect and safety.
- Diversity in all of its definitions, including who we are, how we think, and what we do.
- Ethical behavior, based on integrity, accountability, and responsibility in all practices as a student-centered learning organization.
- Transparent and inclusive decision making.
- Stewardship of resources that promote sustainability, prosperity, and equity for all in the local and global communities.
- Pride in our institution, our unique qualities and our vital role.
