Recommendation of the Academic Policy Committee (APC) to Amend
Faculty Document 2984: “UWM Policies and Procedures” A1.1 (1) APC Membership

The APC recommends revising the APC charter under (1) Membership. The following changes were approved by the Academic Policy Committee on December 6, 2016:

- The APC will have three appointed student representatives instead of five.
- The Registrar will appoint their own representative to the APC instead of being appointed by the Chancellor.
- The Chancellor will appoint one Dean from any school or college as an ex-officio member rather than “three Deans, including two that are from the College of Letters and Sciences and the Graduate School Dean.”
- The appointed undergraduate student can be from any school or college rather than from the College of Letters and Sciences.

Rationale

1. Three students should be sufficient for input to the APC. Appointing three students rather than five is more efficient and realistic.
2. Having the Registrar appoint their own representative to the APC is more efficient than going through the Chancellor’s office for the appointment.
3. Having one Dean as an ex-officio member of the APC should be sufficient. The appointed Dean from any school or college can provide necessary input.
4. The appointed undergraduate student can be from any school or college and does not need to be from the College of Letters and Sciences.
