
Changes in the membership and functions of the Financial Aids Committee were approved by action of the Faculty on October 8, 1964. The Committee is to consist of the following members:

1. Five faculty members to be appointed by the Chancellor for four (4) year terms.

2. Two (2) full time students and one alumni representative to be appointed annually by the Chancellor.

The functions of the Committee are as follows:

1. To establish policies governing loans to students at the University of Wisconsin-Milwaukee.

2. To establish policies governing those funds available for undergraduate awards and grants which are not administered by the all-University Committee on Financial Aids.

3. To establish policy governing the student employment program at the University of Wisconsin-Milwaukee.

4. To receive and adjudicate any student appeals from the decisions of the Office of Loans and Undergraduate Scholarships and the Student Employment Office.

The Committee met eleven times throughout the year. Two sessions were held to hear appeals from ten students whose applications for student loans had been rejected by the Director of Loans and Undergraduate Scholarships. The committee confirmed five of the decisions and reversed the five others.

The Committee adopted the general statements of policy relating to Tuition Loans, University Student Loans, and National Defense Student Loans which are appended to this report.

The Committee approved the allotment of a total of twenty scholarships per year for returning Peace Corps Volunteers. The program will be administered by representatives of the Milwaukee and Madison financial aid offices and Dean of International Studies and Programs.

The Federal Work-Study program went into operation in January with the allotment of funds to the University. Procedures have been established for the administration of the program, and through April approximately 175 UWM students eligible under the program had been referred to departments and other units of the University.
