October 19, 2017

Whereas, the Faculty at the University of Wisconsin – Milwaukee believe that all people deserve the chance at a high quality education; and

Whereas, the Deferred Action for Childhood Arrivals (DACA) program allows participants to stay, work and study in the United States; and

Whereas, it is widely acknowledged that those eligible for the DACA program make valuable contributions, economically, socially and academically to our university and the wider community; and

Whereas, ending the DACA program would place these individuals in jeopardy,

Be it resolved that the Faculty of the University of Wisconsin – Milwaukee stand with our DACA students in their desire to complete their education and continue being productive members of society; and

Be it further resolved that the Faculty of the University of Wisconsin – Milwaukee support the continuation of the DACA program until permanent relief is passed into law.
