This committee is empowered to "confer and recommend concerning matters of educational policies of the University of Wisconsin-Milwaukee."

During the year representatives of student government conferred with the committee regarding its role and function.

It is the concensus of this committee that the newly elected committee re-examine its mode of functioning over the past several years with a view to its possible discontinuance. This is deemed desirable because its functions seem to be adequately cared for by other University committees and agencies.

STUDENT-FACULTY CONFERENCE COMMITTEE
ON EDUCATIONAL AFFAIRS

L. Blum, Chairman
R. Pirie
W. Pufahl
