ANNUAL REPORT OF THE STUDENT-FACULTY CONFERENCE COMMITTEE
ON EDUCATIONAL AFFAIRS, 1966-67

This committee is empowered to "confer and recommend con-
cerning matters of educational policies of the University of
Wisconsin-Milwaukee".

Several meetings were held during the year. A study was made
of the "pass-fail" system of grading for a limited amount of course
work and the possibility of recommending the adoption of such a
system at UWM was discussed. No recommendation has been made.

The problem of assessing student interest in possible changes
in the educational policies at UWM was discussed. No action has
been taken.
