Annual Report of the Safety Committee
1967-68

101 The UWM Safety Committee met during the course of the year to deal
102 with the problems of safety policy and procedure. Such discussions have
103 been in cooperation with the Safety Coordinator.
104 The Safety Coordinator was asked to obtain the aid of the Milwaukee
105 Fire Department, and to organize practice and educational sessions on the
106 campus for fire evacuation procedures.
107 The Safety Coordinator was requested to submit for Committee con-
108 sideration a preliminary draft of a Safety Handbook embodying campus
109 safety regulations and conditions.
