To date the Committee held two meetings and took the actions listed below.

1. It recommended that Milwaukee norms, rather than Madison norms, be used on the results of the CQT tests given to incoming students. (AC 10-4-67)

2. Accepted a report from the Committee Chairman and the Director of Admissions on the first Admissions Council meeting held in Madison on December 14, 1967. Extended an invitation to the Council to meet next in Milwaukee.

3. Endorsed, in principle, the UW Admissions Council statement on "Admissions Policy and Experimental Admissions Projects" (AC, 1-10-68). If this policy statement is approved by the Council during its next meeting the Committee will present the statement to the entire UWM Faculty.

4. Discussed, briefly, the freshmen student grades at UWM with the Ad Hoc Committee on Freshmen grades.
