I. **Function:** This committee is authorized to "act as a fact-finding and advisory body concerned with the operation and maintenance of the University of Wisconsin--Milwaukee dormitories."

II. **Activities during the 1957-58 academic year:**

A. **Implementation of previous recommendations.** The committee noted that several of its previous recommendations have been implemented. These included minor remodeling and renovating projects as well as minor changes in administering contractual relationships with students.

B. **Survey of student opinion regarding UW--M dormitories.**

1. After discussion of the problems created by inadequate occupancy, a sub-committee was appointed to survey student opinion regarding UW--M dormitories. This sub-committee included the Dean of Women, Dean of Men, a faculty representative, a student representative from each of the dormitories and a student representative from the Student Life and Interests Committee.

2. This sub-committee designed a questionnaire covering all aspects of student attitudes toward dormitory living. It was distributed to three groups of people, including those now living in dormitories, those who have lived in dormitories and discontinued living there, and those who at the time of admission indicated their intention to live in dormitories, but who changed their plans.

3. The results of this study are not yet tabulated.

C. **Relationships to all-University ad hoc committee on housing.** Discussion was devoted to the relationship of this committee to the all-University ad hoc committee on housing which the President appointed in October, 1957. Milwaukee representatives include the Provost, Dean of Student Affairs, Dean of Women, Dean of Men and one faculty member. The members of this committee who also serve with the all-University ad hoc committee were instructed to report its activities so these can be used as a guide for local policy recommendations.
