Report of the Committee on Nominations and Elections
for Elective-Standing Faculty Committees for 1969-70

In preparing the slate of nominees for Elective-Standing Faculty Committees and the list of suggested names for the Chancellor for the Appointive Committees, the Committee on Nominations and Elections uses the following procedures:

1. Preference sheets were prepared and distributed to the Faculty for both Elective and Appointive Committees. The first, second and third choices were tabulated from 203 returns out of a possible 968.

2. Criteria are used to select a maximum number of individual Faculty members in order to achieve continuity, balance, and distribution. Selections are influenced by, but not limited to, choices submitted on the preference sheets.

Nominations from the floor may be made at the Faculty Meeting, April 17, 1969.
