Annual Report of the Committee on Honorary Degrees, 1968-69

The Committee on Honorary Degrees met in November, 1968, to consider the nominations of candidates for Honorary Degrees made by the Regents, Administration, and Faculty of the University.

The Committee made its annual Confidential Report to the UWM Faculty in Executive Session in the January, 1969, Faculty Meeting.

Considerations of the nominations were made by the Regents of the University in closed sessions in the December and February meetings.

Dr. R. Buckminster Fuller was awarded the Honorary Degree of Doctor of Architectural Engineering at the January, 1969, commencement. This degree had been recommended by the 1967-68 Committee on Honorary Degrees.
