Awards and Recognition Committee

MEMBERSHIP: Four elected faculty members and three faculty members appointed by the Chancellor, the latter selected to include members of departments, schools or colleges most directly concerned with the awards to be made in the immediate future. The Chancellor is encouraged to appoint UWM members of pertinent All-University committees to the committee. Two students appointed annually by the President of Student Government; if he does not make the appointments by September 1, the Dean of Student Affairs will make the appointments.

FUNCTIONS: Subject to Administrative policies and guidelines and subject to the provisions of gifts, bequests, or other unbudgeted sources not administered directly by colleges, schools, or departments, this committee either recommends or selects candidates for awards or recognition for faculty members. It recommends candidates for University endowed professorships allocated to the Milwaukee campus. It selects recipients for outstanding teacher recognition awards from candidates nominated by various departments. It recommends students for appropriate scholarship awards not under the jurisdiction of other faculty committees or other agencies. This committee maintains liaison with appropriate all-University committees where these are pertinent to UWM and it acts as an information clearing house concerning sources of awards and recognition.

Preamble

Human Rights Committee

The UWM Codification Committee recommends that the Human Rights Committee membership and functions be revised as described in the attached document.

One reason for the revision lies in the increasing need for the University to make certain that the employment policy at all levels follows the principle of equal rights.
