The Public Functions Committee, charged with making decisions about and directing the preparation for the January and June Commencements, has met eight times thus far.

The January 1970 Commencement was held in Uihlein Hall of the Performing Arts Center. No reception was held for lack of funds, but arrangements were made to have a platform party receiving line to meet graduates and guests.

Arrangements have been made to hold the June 1970 and June 1971 Commencements in the Milwaukee Arena. Although Uihlein Hall of the Performing Arts Center does not provide the space we feel desirable, we have had to make arrangements to hold the January 1971 Commencement there since neither the Arena nor Bruce Hall of the Auditorium will be available.
