Joint recommendation of the Codification Committee and the Committee on Housing revising the Committee on Housing.

**COMMITTEE NAME:** Committee on Housing

**MEMBERSHIP:**
Five faculty members appointed by the Chancellor; three students appointed by the President of Student Government, one of whom is a dormitory resident and one living off campus; if not appointed by September 1, the Dean of Student Affairs will make the appointments; the Director of Housing, *ex-officio*.

**FUNCTIONS:**
The Committee on Housing serves as an advisory body to the Housing Office in implementing faculty-approved policies related to student housing and gives assistance to the faculty concerning the availability of housing. The Committee may delegate its responsibilities or parts thereof to appropriate subcommittees or administrative offices; such delegation, however, does not abridge the responsibility of the Committee. The Committee recommends for faculty approval general policies affecting housing. In unusual circumstances, the Committee may establish interim procedures concerning housing which have temporary effect until requisite faculty action can be taken on relevant policy issue.
