SPECIAL REPORT AND RECOMMENDATIONS OF THE STUDENT LIFE AND INTERESTS COMMITTEE CONCERNING A SCHEDULE OF PENALTIES AND APPEALS FOR STUDENT VIOLATORS OF PARKING REGULATIONS ON THE UW--M CAMPUS

I. The schedule of fines for student violations of parking regulations shall be: $1 for the first offense; $3 for the second offense; $5 for succeeding offenses. These fines shall be paid at the Business Office in the Main Building within 48 hours after the notification of the violation. Failure to pay a fine within 48 hours will automatically place a "hold" on the student's permanent record.

II. Appeals shall be heard by the Student Judiciary of University Student Government. If the parking violation is not upheld, a refund will be made to the student by the Business Office. Appeals must be requested in writing on forms provided in the Business Office within 48 hours of the violation.

III. Persistent student violators of parking regulations shall be referred to the Administrative Section of the Committee on Student Conduct and Appeals for disciplinary action. A student who accumulates five parking violations in a given semester is regarded as a persistent violator.
