ANNUAL REPORT
UNIVERSITY COMMITTEE - MILWAUKEE
1969-70

The University Committee met forty times during 1969-70, not including the numerous conferences and informal sessions with members of the faculty and the administration by the Committee as a whole, or by the Chairman and other members singly. Also, many inquiries were discussed through written and oral communication.

The following represents the major items which involved the Committee during the year.

1. Matters of faculty grievance and inquiry concerning possible grievance (14 requests).
2. Structure of the Graduate School (Chapter 32).
3. Preparation of a slate of nominees for the ultimate election of the elected members of the Graduate Faculty Council.
4. Advisory role on the establishment of search and screening committees and a fact finding committee.
5. Appointed five faculty members to the newly re-organized Physical Environment Committee.
6. Advised the Codification Committee on matters under review by that Committee and met jointly on several occasions.
7. Issued to all members of the faculty jointly with the Chancellor the AAUP Statement on Academic Freedom and the report of Committee A.
8. Advised the several Faculty Divisions on requests and met with the Chairman of the four Committees.
9. Recommended to the Senate a change in Section 34.10 relating to the University Committee - Milwaukee on a modification in procedures for filling vacancies on that Committee.
10. Cooperated with campus administration in planning and executing the Orientation Program for new members of the faculty.
11. Inauguration of the UWM Senate.
12. Met informally with representatives of the University Board of Regents,
13. Assisted in the development of a revised academic calendar.
14. Compiled for the Chancellor individual Committee recommendations on student representation on UWM Standing Faculty Committees.
15. Involvement on recommendations concerning criteria and procedures relating to matters of salary and rank.
16. University Committee represented the faculty to the administration during the period of campus disruptions.
17. The Chairman was responsible for chairing those portions of several faculty meetings during the time of committee of the whole discussions.

18. Through information received from the several Schools and Colleges replied to the Regents concerning the role of students in the instructional programs of the several academic units.

19. Invited members of the administration, including the Chancellor, the Vice Chancellor, and several Deans, and several members of the faculty, including Department Chairmen and Committee Chairmen to discuss matters of mutual concern and interest.

In addition the University Committee served as the Executive Committee of the Senate and one member of the Executive Committee served as President pro tem and Chairman of the Calendar Committee, two members of the University Committee and an alternate served as members of the University Faculty Council. The Council met fifteen times during the year.

Respectfully submitted,
