Joint recommendation of the Student Conduct Appeals Committee and The Codification Committee:

That the Student Conduct Appeals Committee, Section 34.332 of Chapter 34., Milwaukee Campus Committees, be dissolved as of January 14, 1971.

Reason for the recommendation:

This action is recommended in response to the recent revisions of Chapter V, Student Discipline, of the Bylaws of the Board of Regents approved at their meetings of September 11, 1970 and November 20, 1970. The effect of the revisions of Chapter V is to eliminate the functions of the Student Conduct Appeals Committee and to reassign the functions to the Regents, the "Investigating Officer", and the "Hearing Examiner".
