Resolution 1. The following will automatically apply to students enrolled since May, 1969.

a) A student may repeat a course as many times as he desires.
b) In a course which has been taken more than once, only the highest grade obtained will be counted in the grade point average.
c) Only the highest grade obtained, or other obtained grade(s) designated by the student, shall appear on any transcript.
d) This policy may also apply to course work repeated prior to May, 1969 at the student's request.

Resolution 2: The Z symbol be abolished.

Resolution 3: The student may drop a class any time prior to the first day of the final exam period. However, a department may with departmental advice and consent of the dean of the appropriate school designate special courses with limited lab facilities, which can be dropped only upon the written consent of the instructor after the second week of classes. These courses are to be so indicated in the schedule of classes.

Resolution 4: Be it resolved that:

a) Divisional and Departmental Executive Committees be required to retain and consider the UWM-USG Faculty Evaluation in determining promotions.
b) Departmental Executive Committees be required to retain and consider the UWM-USG Faculty Evaluation in determining merit raises.
c) Departments be required to retain and consider UWM-USG Course Evaluations in determining departmental offerings.
d) that the UWM Administration provide financial support and personnel adequate to enable USG to operate a fair and comprehensive course and faculty evaluation for each term.

Resolution 1, Document 654

The following will automatically apply to undergraduate students enrolled since May, 1969. At the request of the student this policy may apply to course work repeated at any time.

a) A student may repeat a course as many times as he desires. However, in a course of limited enrollment a qualified student who has not taken the course previously should have enrollment priority.

b) In a course, other than one of variable content, which has been taken more than once, only the highest grade obtained will be counted in the grade point average.

Resolution 2: The Z symbol be abolished.

Resolution 3: The student may drop a class any time prior to the first day of the final exam period. However, a department may with departmental advice and consent of the dean of the appropriate school designate special courses with limited lab facilities, which can be dropped only upon the written consent of the instructor after the second week of classes. These courses are to be so indicated in the schedule of classes. This policy will be effective beginning Semester I '71-72.

Approved at the Faculty Senate meetings of April 8, and May 13, 1971.
