To date, the committee has held eight meetings and taken the following action:

1) Accepted one new faculty member (DeAnne Wilkes) and two new student members (Donna Zilles and William Repensek).

2) Approved the revised code for the Student Financial Aids Committee. It reads as follows:

**MEMBERSHIP:** Five faculty members appointed by the Chancellor; four student members appointed by the President of Student Government, if not appointed September 1, the Dean of Student Affairs will make the appointments; the Director of Student Financial Aids, ex-officio.

**FUNCTIONS:** To recommend for faculty approval policies governing funds available for loans, awards, and grants to students not administered directly by colleges, schools or departments. To recommend for faculty approval campus wide policy governing the student employment program, and to implement such approved policies. To receive and adjudicate any student appeals from decisions of the Office of Student Financial Aids. To encourage securing of funds for student financial aid.

3) Reaffirmed the long standing policy of this committee that financial aid administered by this committee from private sources not be denied students for campus disruption. Dr. Spaight forwarded a copy of this resolution and a letter explaining our position to Regent Pelischk, along with a memo supporting the committee's position. Subsequently, the Financial Aids Council concurred with this position (2/26/71).

4) Acquiesced in the release of $10,000.00 of the Knapp Fund for the use of Spanish-American students.

5) Voted to extend the same aid to undergraduate special students in the School of Education as other undergraduates receive.

6) Terminated fund raising activities, because of current community sentiment. In the interim, the Chancellor appointed a full time development man to perform these duties.

7) The following scale for awarding gift money for continuing students was established:

<table>
<thead>
<tr>
<th>Grade Point Average</th>
<th>Percentage of Need</th>
</tr>
</thead>
<tbody>
<tr>
<td>3.25 and above</td>
<td>60% of their need up to $1,000.00</td>
</tr>
<tr>
<td>3.00 overall</td>
<td>50% of their need up to $1,000.00</td>
</tr>
<tr>
<td>3.00 two previous semesters</td>
<td>33% of their need up to $1,000.00</td>
</tr>
</tbody>
</table>
8) The chairman of this committee has been working with the Director of the University Bookstore on ways to decrease the cost of books for the students. Two actions have been taken. The bookstore will publicize the cost of books by course prior to registration each semester. One faculty member was contacted in person about the apparently excessive cost of the books for his courses.

9) The following exceptions were made for individual students:

(i) $500.00 was awarded from the Knapp Fund to a promising and needy high school student.

(ii) Two students in the Upward Bound Program were awarded $83.50 each to pay tuition for one three hour course each at UWM.

(iii) A student whose grades fell below the 3.00 level due to special circumstances related to her father’s death was granted financial aid the amount to be determined by current policies.
