Amendment to Chapter 33. DIVISIONAL EXECUTIVE COMMITTEES MILWAUKEE, Section 33.052

Present Description

33.052 Functions. The Divisions will be responsible for advisory recommendations on matters of personnel, as outlined in Chapter 6 (Personnel Matters). Course and Curriculum review will remain a function of the UWM Committee established for the purpose (Reference: 6; Course Approval).
For appointments involving tenure implications, not covered by the above four Divisions, the University Committee will be the appropriate review body.

Change to

33.052 Functions. The Divisions will be responsible for advisory recommendations on matters of personnel, as outlined in Chapter 6 (Personnel Matters). When making formal deliberations, members of the Divisional Executive Committee may neither participate in the consideration of nor vote on cases concerning their own department.
Course and Curriculum review will remain a function of the UWM Committee established for the purpose. (Reference: Chapter 6; course approval).
For appointments involving tenure implications, not covered by the above four Divisions, the University Committee will be the appropriate review body.
