ANNUAL REPORT OF THE SAFETY COMMITTEE

Actions of the Committee during 1958-59:

2. City of Milwaukee Fire Department officials inspected all campus buildings this winter and made a number of recommendations. These have been followed.

3. Following the discovery of a smoldering fire in B Annex, the Committee made several suggestions concerning smoking regulations. These have been forwarded to the Provost's office.

4. Professor Hunt, Campus School Director, has replaced Professor Burgdorf as Campus School representative on the Committee.

5. The Committee again requests that faculty members noting dangerous conditions around the campus immediately telephone the Superintendent of Buildings and Grounds. His extension number is 335.
