Resolution In Support of Binding Arbitration

Professor Kenneth M. Kapp, Assistant Professor, Department of Mathematics and member of the Faculty Senate, submits the following resolution for consideration of the Senate. Professor Kapp will speak to the resolution.

Be it resolved that the Faculty Senate

1) support merger legislation that includes provision for binding outside arbitration with complete due process rights as the ultimate step in all grievance matters between faculty, and faculty and administration.

2) strongly urges Higher Administrators to make use of their good offices in all possible ways to bring about the above legislation.
