Report of the Committee on Nominations and Elections for
Elective Standing Faculty Committees for 1973-74

In preparing the slate of nominees for Elective-Standing Faculty Committees, the Committee on Nominations and Elections uses the following procedures.

1. Preference sheets were prepared and distributed to the Faculty. The first, second and third choices were tabulated from 390 returns out of a possible 1410.

2. Criteria are used to select a maximum number of individual Faculty members in order to achieve continuity, balance, and distribution. Selections are influenced by, but not limited to, choices submitted on the preference sheets.

Nominations from the floor may be made at the Faculty Senate Meeting, April 12, 1973. Please contact the person you wish to nominate at the meeting to obtain his or her consent to be placed in nomination.
