ANNUAL REPORT OF THE FACULTY LOUNGE COMMITTEE--1972

As in past years, the Faculty Lounge has seen active usage for the daily socializing of Faculty and Staff members and as a meeting-place for small committee sessions. In addition, it has provided its services for two larger social gatherings--for a reception sponsored by the Philosophy Department in the fall and for the annual Credit Union meeting in late March.

Because some of the furniture is beginning to show the wear and tear of time and the effects of hard usage--with an occasional "break-down" of chair or table--the Lounge Committee has decided on a gradual repair program, in which individual pieces of furniture are being "rehabilitated" one at a time so as to cause the least inconvenience to Lounge users. This repair program was started shortly after the Christmas holiday break and has been going on since then.

It is the hope of the Lounge Committee that the Faculty and Staff will continue to find the room convenient for social and group meetings as it has been in the past.

Respectfully submitted:

The Faculty Lounge Committee:

Robert Holzhauer, Secretary
