Recommendation of the University Committee to amend Chapter 4,
Section 4.08 of the University of Wisconsin-Milwaukee Laws and
Regulations.

Amendment to Chapter 4. The Department
Section 4.08 Deviations from Chapter 4.

(New) 4.08 Deviations from Chapter 4. The University Faculty may authorize deviations from Sec. 4.04 (1) and Sec. 4.06 (1) where observance of these rules is impracticable because of smallness of staff or lack of tenured personnel. Departments are authorized to augment small executive committees through appointment annually by the Dean of the School or College, on advice of the University Committee, of tenured faculty members holding the rank of Professor or Associate Professor in other departments or non-departmentalized schools. Requests for the implementation of this provision are the responsibility of the departmental executive committee; provided that the Dean may initiate such action if, 1) a departmental executive committee fails to exercise such responsibility, or 2) if no faculty members of the department are eligible to serve on the executive committee.
