Recommendation of the University Committee to amend Chapter 6.13 [34.10(1)] of the UWM Laws and Regulations.

Old Section - 6.13 University Committee
[34.10(1)] (1) The committee consists of six members, two elected each year for three-year terms. No more than four members shall be from a single school, college or division.

Recommended amendment - 6.13 University Committee
(1) The committee consists of six members, two elected each year for three-year terms. No more than three members shall be from any one school, college, or division.

Rationale -

At the time of the first merger, when the University Committee was established, L&S represented about 70% of the faculty and it seemed reasonable to allow them to have up to four members. At the present time L&S represents 50% of the faculty, and it would therefore seem reasonable to reduce the number of members they could possibly elect thereby making the University Committee more representative of the faculty as a whole.

The amendment has been reviewed for conformance with legislative criteria by the Codification Committee at its December 12, 1974, meeting.

Respectfully submitted,

UNIVERSITY COMMITTEE
