Recommendation of the University Committee to amend Chapter 1 of UWM Regulations, Section 1.02(5)(b).

1.02 Powers and jurisdiction of University Faculty-Milwaukee

(5) Among the matters within jurisdiction of the University Faculty-Milwaukee are the following:

a) Questions concerning the educational interest or educational policies of the Milwaukee unit. The University Faculty-Milwaukee, has general charge of those questions of scholarship which pertain to more than one college, school or division and may make needful rules relating to scholarship and enforcement of student discipline.

b) Requirements for admission to and graduation from any part of the Milwaukee unit, and the title of the degree to be conferred upon the completion of any course of study. When a college, school or division has taken action with respect to these academic matters, these actions must be approved by the University Faculty-Milwaukee.

SUGGESTED REWORDING - Requirements and curricula for new degree programs and majors are subject to University Faculty-Milwaukee action prior to initial implementation. Subsequent changes are referred to the Academic Program and Curriculum Committee (6.15) or the Graduate Faculty Council (2.05(3)) for action as appropriate.

Amended Language Recommended by Codification Committee (January 8, 1976)

SUGGESTED REWORDING - Requirements and curricula for new degree programs and majors and proposed modifications thereof are subject to University Faculty-Milwaukee approval prior to initial implementation. The University Faculty may delegate to appropriate graduate and/or undergraduate bodies final faculty authority concerning these matters.
