The Committee received reports and considered a wide range of facilities-related topics, as follows:

1. Major and minor construction projects including the Physical Education Building, Mitchell Hall and Lapham Hall remodeling.

2. The identification of unmet needs: (not in priority order) Library Stage III, Allied Health Professions, Department of Psychology, the Downer Buildings.

3. Progress of the Offices of Physical Planning and Construction and Space Management toward the development of a comprehensive update of the Campus Plan.

4. Status of the university efforts relating to the closing of Hartford Avenue.

5. Status of the Mitchell Hall and Downer Complex remodeling projects.

6. The utilization of large lecture halls and their proper equipment.

7. Report of the Sub-committee on Parking and Transportation regarding loss of parking space and recommendations for alleviating the situation.

8. Downer Buildings concept and plan.

Actions:

(1) To establish policy requiring disposition of University-owned residences on Maryland Avenue and Cramer Street, as appropriate.
