1975-76 Annual Report of the Athletic Board

In accordance with the functions specified for the Athletic Board during the academic year 1975-76, the Athletic Board held monthly meetings and acted on the following matters:

1. adopted a set of eligibility requirements for the men's and women's intercollegiate athletic programs;

2. approved intercollegiate schedules for 1976-77;

3. reviewed and approved the budget for the Athletic Department for 1976-77;

4. prepared a merit evaluation of the Athletic Director's performance during 1975;

5. adopted a recommendation for revision of the Athletic Board's charter, with further action to be determined by the Faculty Senate and the Student Senate;

6. adopted a set of by-laws governing the conduct of the Athletic Board.

The Athletic Board has made every effort to act cooperatively with the Athletic Department, with the Division of Student Services, and with the Student Association, while at all times maintaining a sense of its responsibilities. The Board regrets that the various programs in athletics, intramurals and club sports have not advanced further than they have. Nevertheless, a good deal has been achieved during the year.
