Meeting the Challenge

The American Medicine Chest Challenge is a not-for-profit community based public health initiative, with law enforcement partnership, designed to raise awareness about the dangers of prescription drug abuse and provide a nationwide day of disposal – at a collection site or in the home - of unused, unwanted, and expired medicine in communities across the country.
Take the American Medicine Chest Challenge New Jersey... in 5 Simple Steps

TAKE THE AMERICAN MEDICINE CHEST CHALLENGE... IN 5 SIMPLE STEPS:

- Take inventory of your prescription and over-the-counter medicine.
- Secure your medicine. Please visit OTCsafety.org for more information.
- Dispose of your unused, unwanted, and expired medicine in your home or at an American Medicine Chest Challenge Disposal site.
- Take your medicine(s) exactly as prescribed. Please visit PhRMA for more information.
- Talk to your children about the dangers of prescription drug abuse... they are listening. For tips visit The Partnership at DrugFree.Org, NIDA, and StopMedicineAbuse.com.

You might not think of yourself as a typical drug dealer... but your kids know better!

On November 12th, put yourself out of business.

Kids who are abusing prescription drugs get them from the medicine cabinets of their family and friends.
