

Application for Undergraduate and MLIS Student Assistantship / Employment

Student employment may be hourly or in the form of a project assistantship. By filling out this form students place their names in a pool from which SOIS administration and individual faculty may draw. The intention is to match students to SOIS's needs for mutual benefit. SOIS cannot guarantee positions and students have the right to decline any position offered or to withdraw their application at any time. Applications will normally be kept on file for twelve months.

Submit the form along with a current resume to: Laura Meyer
