

# University of Wisconsin-Milwaukee Facts 2010-11

## Our campus

The university's main 104-acre campus includes the recently acquired Columbia Hospital property. Also included on the main campus is the 18.8-acre Downer Woods preserve and a 2.6-acre recreational area. Approximately 50 buildings support academic, administrative, athletic and student life operations at UWM.

University properties in Greater Milwaukee include inner-harbor acreage on the city's South Side, where expansion and renovation have been approved for the university's School of Freshwater Sciences, and to house business accelerator sites for university-industry partnerships.
