

Making 124

Lamar, Siri, and Junior were using base-ten blocks to learn about numbers.

Lamar said, "I can make 124 using 1 hundred, 2 tens, and 4 ones."

Siri said, "I can make 124 using 124 ones."

Junior said, "I can make 124 using only tens and ones."

In what way could Junior do this?

Answer: ____ tens ____ ones

Show how Junior's thinking was correct. Use words, numbers, or pictures to support your answer.
