Recommendation of the Physical Environment Committee to Revise UWM Policies & Procedures Chapter A3.6.2 Campus Facility Naming Subcommittee Charter

Rationale:
While reviewing the charter at the January 2019 PEC meeting, it was suggested that the term limitations on membership on the subcommittee be dropped from the charter. There was broad consensus that continuity of committee membership is highly desirable.

CLEAN version:

A3.6.2 Campus Facility Naming Subcommittee

(1) Membership.
Ten members as follows:
a) four faculty members of the Physical Environment Committee.
b) one academic staff member of the Physical Environment Committee.
c) one university staff member of the Physical Environment Committee.
d) one student member of the Physical Environment Committee.
e) ex-officio:
   a. a representative from the Division of University Relations.
   b. a representative from the Division of Students Affairs.
   c. a representative from Campus Planning and Management.

The chair of the subcommittee will be a faculty member of the Physical Environment Committee. The chair will be elected to serve a one-year term. The chair’s term is renewable. The student member will be appointed on an annual basis. All other members will be appointed to two-year staggered terms.

(PEC Doc. No. 179, approved by the Physical Environment Committee, 11/17/82; amended 1/19/83; effective 1983-84.)

(PEC Doc. No. 214, approved by the Physical Environment Committee, 10/9/85 (name change and revision of charge.)

(2) Functions.
a) The Campus Facility Naming Subcommittee is charged with advising the Physical Environment Committee on matters relating to naming buildings, parts of buildings, and exterior amenities at the University of Wisconsin-Milwaukee. Buildings may not necessarily be named prior to use. Memorial names honoring individuals for whom the University holds special respect, affection, or obligation should command permanence. The committee may solicit and accept written submissions and hold public hearings to
determine campus community consensus. The Subcommittee shall consider both monetary and non-monetary costs associated with and the benefits that would accrue to the University from the proposed name.

b) The chair of the Subcommittee, or designee, shall provide a detailed report of facility naming recommendations to the Physical Environment Committee at a regularly scheduled meeting.

(Document 2682, 09/17/2009; UWM Administration approval, 09/22/09)
