The X Drive

The X drive allows you to have access to your ePanther/alpha account space as a drive on your computer.

To map the X drive:

1. Double-click **My Computer** on your desktop.

2. On the menu bar of the My Computer window, select **Tools → Map Network Drive**.

3. From the pull-down box marked **Drive**: choose **X**:

   ![Map Network Drive](image)

   - **Drive**: X
   - **Folder**: `\batch2.csd.uwm.edu\X`

4. In the pull-down box marked **Folder**: type in `\batch2.csd.uwm.edu\X` where X is your ePanther username.

   For example, if your login name is johndoe, you would type in `\batch2.csd.uwm.edu\johndoe`

5. Make sure that the box for **Reconnect at logon** is checked, or you will have to manually reconnect every time you restart your computer.

6. Click **Finish** at the bottom of the dialog box.

7. You will be prompted for your ePanther password. Type it in and click **OK**.
